

# Needle valve IV11

Design Multiport

female x female or male connection

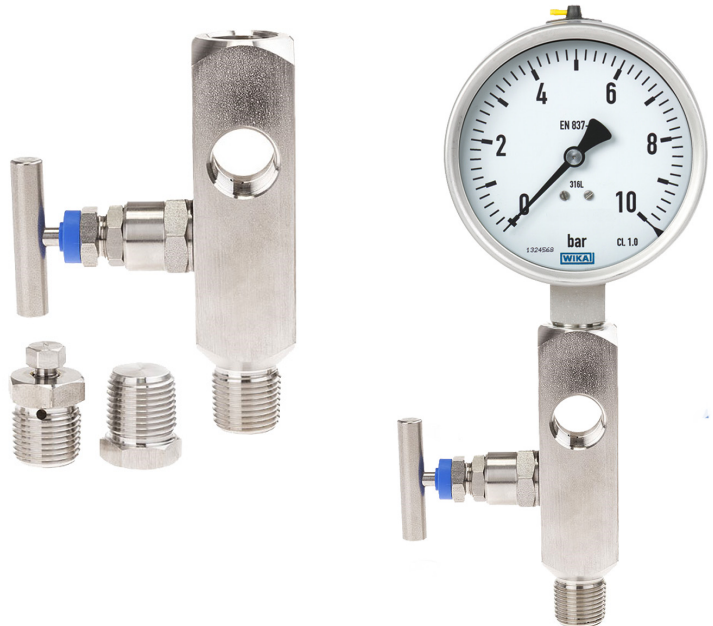

E 09.15.05

Ed.22.01

IV11 1-Valve Needle Valve  
Design multiport

Connection process side 1/2 NPT female or male  
Connection instrument side 1/2 NPT female  
Material body stainless steel 316L  
Vent connection: 2nd Port 1/2" NPT female with plug  
3rd Port 1/2" NPT female with bleeder  
Material packing PTFE or Graphite  
Nominal pressure 6000 psi / 420 bar  
NACE Sour Gas Service  
Inspection certificate 3.1 EN 10204
