

# Monoflange IVM2 BB

E 09.25.01

Instrument version

Function block & bleed

Ed.22.01

## IVM2 BB

Monoflange

Instrument version

Function block & Bleed

Design type flanged/Threaded

Version Needle-Needle

Process Connection Size: 1/2", 3/4" or 1"

Pressure rating 150, 300/600 or 900/1500

ASME B16.5 Raised Face Spiral - 3.2 ... 6.3 µm [125 ... 250 µin]

Instrument Connection: 1/2" NPT female axial

Material body: Stainless steel 316/316L - 1.4401/1.4404 - S31600/S31603

Material packing: PTFE

Vent connection: 1/4" NPT female with plug

Certificates accessory: NACE MR0175 Sour Gas Service

& Inspection certificate 3.1, EN 10204,

all wetted parts material

For more information: [WIKA Datasheet AC 09.17](#)

## Standard items

Item	Instrument side	Process side	Pressure rating
81648415	1/2" NPT female	1/2" flange ASME	150
81648417	1/2" NPT female	1/2" flange ASME	300/600
81648421	1/2" NPT female	1/2" flange ASME	900/1500
67295039	1/2" NPT female	3/4" flange ASME	150
81648418	1/2" NPT female	3/4" flange ASME	300/600
81648422	1/2" NPT female	3/4" flange ASME	900/1500
46996159	1/2" NPT female	1" flange ASME	150
81648419	1/2" NPT female	1" flange ASME	300/600
81648423	1/2" NPT female	1" flange ASME	900/1500
